## Chapter 1 by xCringe

Love

What is it

Is it a feeling

A sacrifice

Give and take

Love

What is it

It's different for everyone

To me

Love is beautiful

More than a feeling

Warmth and comfort

But yet scary

To me that is love

What love is exactly

That is up to you

Love is when two people feel the same emotion.

When you'd give up your life for him.  
Its the treasure we can never pay.  
Its a burden that destroys us inside,  
But yet we crave it so much.  
Love is what makes us human,  
Its blinding.  
A journey not a destination.  
Its a friendship, a promise.  
A souvenir, once its given its never forgotten.  
Love is giving someone the ability to hurt you,  
but trusting them not to.  
At least that's what I think love is,  
but what about you.  
What is love?

#### Chapter 4 by Ria

Love, a choice I  
made once against my  
will, a choice my  
brain made for  
me, no  
consultation was  
required for  
this life altering  
event

love, a feeling not  
chosen firstly

love is a choice  
not at first

Love can be something wonderful

Something that connect two people, creating one.

Love is like a rose,  
Beautiful but dangerous.

If you are not careful you will bleed.  
A simple prick can cause something drastic.

Love is death. Love is life.

You may not be able to control your heart, but you can choose how you take care of it.

A dangerous beauty.

## Chapter 7 by CAPSLOCK

Love is  
wishing for something  
you can't always  
have, something  
you wish you were  
good enough for.

Love is  
how one says  
no  
to their dreams,  
and decides they  
can't,  
even as the  
recipient  
of the love
